

Freshwater Habitats Trust invite you to a

# **Tassel Stonewort survey morning**

## **Tuesday 28th March 2017**

## **Join Richard Lansdown and Freshwater Habitats Trust at Inglestone and Hawkesbury Commons**

for a short morning session from 10:00am, that will teach participants to identify and survey for Tassel Stonewort (*Tolypella intricata*), a rare stonewort known from only a handful of locations in England that occurs in ponds on the commons.

To book a place or for more details please contact your regional project officer, details below. This training has been made possible through the Heritage Lottery Funded People Ponds and Water project

### **Contact:**

Pete Case: Regional Project Officer for Central England: People, Ponds and Water
